THE pregnancy care center News

158 South Main St, Jonesboro, GA | 770.477.1501
pregnancycare85@bellsouth.net | **WINTER 2020**

From the Director

God Is Still In Control

2020 has been a very challenging year for us, but in the end, we as Christians know that God is still in control. My heart goes out to all those who have lost their jobs, or their homes, or their loved ones due to the pandemic. Since the pregnancy center reopened in June this year, we have seen and witnessed to at least 54 women. There were 33 whose pregnancy tests were positive. God is good!

Because of the generosity and love of our donors we were able to help about 20 young mothers who needed emergency assistance with diapers, clothing, formula, food, and bathing necessities. There's no way we can function or survive without our loving donors. Thank you so much for all the love and support you've shown and continue to show by giving to those in need.

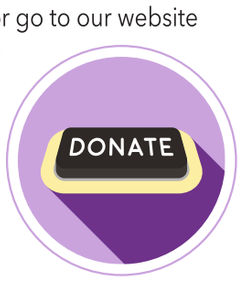
Praising God! So far during 2020, 60 women have had a pregnancy test, four women changed their minds about an abortion, and four received information on adoption. The gospel was shared with at least 16 clients and six of those received Jesus as their Savior. We would like to wish you a Merry Christmas and a very blessed New Year from the staff, volunteers, and the Board of Directors.

Gaila Springer

Thank You for Your Financial Gifts

At the Pregnancy Care Center and for everyone it has been an unusual nine months. Because of the way the Lord blessed us with generous donors like you during the last couple of years, the Center entered the COVID 19 period believing we would be financially okay for the remainder of 2020. Even though we will end 2020 financially okay, we were not able to hold our annual Walk for Life, Banquet, or Baby Bottle Campaigns like we have had previously.

For the last couple of years these three fundraisers have brought in around 40% of our total donations for the year. However, due to the 2020 pandemic and the cancellation of the three fundraisers we expect total donations tor the year to be about 45% of the total donated last year. With the uncertainty of COVID 19 as we enter 2021, we ask you to consider making a generous year end donation to the Center so we can continue our mission of saving babies. As always you can mail your donation to PO Box 457, Jonesboro, GA 30237-0457 or go to our website pregnancycarecenterjonesboro.org and click on the donate button to donate through our Pay Pal account.



More Ways to Give

AmazonSmile is a website by Amazon that lets customers enjoy the same wide selection of products, prices, and convenient shopping features as Amazon.com. However,

Benjamin

On October 19 "Benjamin," the ultrasound mobile unit, had its first day at Pregnancy Care Center. Due to its success, appointments have increased. Starting in 2021, Benjamin will come to the Center weekly to provide a **free ultrasound to qualified women** who have a positive pregnancy test. These expectant moms must be at least seven weeks, must not have had an ectopic pregnancy, do not have an IUD in place, and have not had an ultrasound with a doctor's office.

Holiday Schedule

The Pregnancy Care Center will be closed Thursday, November 26 for Thanksgiving. We will also be closed Monday, December 21 through Sunday, January 3. We are still operating on appointment-only basis.

Our normal days of operation and hours are Monday, Tuesday, and Thursday 9:30 am - 4:15 pm.

Items Needed!

Wipes, baby lotions, shampoos, oils, pacifiers and teethers, bottles, bibs, bathroom essentials (combs, brushes, nail clippers, towels, washcloths, etc.. blankets, clothes (size newborn to 4T, handmade items. Call us at 770.477.1501 for questions and donations!

Prayer Request

My desire is that, when the clients come in the center, I want them to be released from the chains of the enemy, the fears, cares and worries of the world. I want them to immediately feel the presence of the Lord. I want them to be able to meet Jesus here and receive salvation and the love He has for them. I want them to leave this building a new person–saved and encouraged to go out and live as the person God created them to be. My prayerful desire is that our clients' needs are met, both physically and spiritually.

Gaila

Renovations Underway

We have begun some renovations at the center including the decor, painting inside and out, as well as repairs and landscaping.

(from page 1)

when customers shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers. Bookmark the link https://smile.amazon.com/ref=smi_ext_twt_dshb_smi and support us every time you shop.

QCD Charitable Donation. When planning your IRA withdrawal strategy, consider making a charitable donation through a QCD to the Pregnancy Care Center. A QCD is a direct transfer of funds from your IRA custodian, payable to the Pregnancy Care Center. Owners of certain IRAs who are at least 70 ½ years old can contribute. There are other rules and guidelines so you should consult your tax advisor to determine if this type of donation is good for you.

Monetary Donations for 2020. There is still time before the end of the 2020 to partner with us and make your donation! Mail or drop off your donation before the end of the year so we can give you credit for 2020.

The Pregnancy Care Center *is a locally organized and funded non-profit ministry committed to upholding the sanctity of human life by demonstrating the love of Christ to women facing pregnancies through the provision of spiritual, physical and emotional support, and by proclaiming the Gospel.*
