

A New Season of Change and Growth

Dear Friends and Supporters,

First, we would like to extend our sincere apologies for the delay in this year's newsletter. The past several months brought significant changes to the Pregnancy Care Center (PCC), and we are grateful for your continued patience, prayers, and support.

We are excited to announce some important leadership transitions. **HANNAH HAAS** has stepped into the role of **Executive Director**, having previously served as Assistant Director. Hannah has been a dedicated part of the PCC for over a year, and she brings with her a strong vision to expand the ministry's reach through innovative and community-driven initiatives.

Joining her in leadership is our new **Assistant Director, DEBBIE JONES**. Though new to the PCC, Debbie comes with a deep passion for life advocacy and a heart to see families restored and transformed through the hope of Jesus Christ. Both Hannah and Debbie have served in various ministry capacities and believe they have been called "for such a time as this" to lead the PCC into its next chapter.

We would also like to extend our heartfelt gratitude to Gaila Springer, who faithfully served the PCC for six years. Gaila's impact on this ministry and the lives she touched is immeasurable. We honor her for her dedication and selfless service, and we continue to pray blessings over her and her family. She will be deeply missed.

As we look to the future, our mission remains clear: to cultivate healthy communities, provide life-affirming support to those in need, and share the love of Christ in all we do. This season of transition is one of growth and opportunity, and we earnestly seek God's guidance as we move forward. We ask for your continued prayers as we embrace the journey ahead.

We are deeply grateful for your faithful support of the Pregnancy Care Center over the years. Your generosity makes it possible for us to continue serving this community with compassion and purpose.

With sincere thanks,
The Pregnancy Care Center Team

Straight from the Heart

Executive Director Hannah Haas, Assistant Director Debbie Jones, and the PCC's newest board member Richie Howard share their heart for the ministry of the Pregnancy Care Center. You will be blessed.

HANNAH HAAS. "I have undergone a significant transformation in my life since embracing faith in Jesus Christ in 2022. This pivotal moment has led me to engage deeply in discipleship and foster a strong commitment to share the Gospel with

others. A key verse has guided me on my journey is Psalm 118:17, which says, "I shall not die, but live and proclaim what the Lord has done." This verse reflects the core of my ministry, and inspires me to genuinely seek to connect with individuals who may feel lost or in need.

In a world that can sometimes appear daunting and devoid of purpose, I try to understand the profound impact the

40th Anniversary Benefit Banquet

Save the Date–October 9

to attend the Pregnancy Care Center's 40th Anniversary Benefit Banquet with special guest speaker Melissa Howard.

This event will be held in the Fellowship Hall of First Baptist Jonesboro. Doors open at 6 pm. Come early to participate in the silent auction.

The PCC welcomes guest speaker Melissa Howard, a passionate advocate for life. She is dedicated to inspiring and empowering others to cherish the sanctity of every human life. With a past of bad choices, Melissa has a compelling story that gives a voice to the pro-life movement. She also strives to see women set free of their past hurts from the choice of abortion.

Melissa speaks from the heart, sharing personal stories and actionable insights to help build a culture of life and hope. She, along with the help of her husband, Richie, began a post-abortive restoration ministry in 2023 called "Restore to Me."

"But I will restore you to health and heal your wounds," declares the LORD.

DONATE

Straight from the Heart (from page 1)

Gospel can have—not only in terms of spiritual renewal but also in addressing practical needs in people's lives. For that reason I have dedicated myself to serve my local church, it's biblical counseling center, and participate in various short-term

mission trips. These experiences have further fueled my enthusiasm for sharing the love of Christ, particularly with families in need. My desire is to make a meaningful impact in the community, advocate for unity and wholeness, and strive to help families experience abundant life."

DEBBIE JONES. "I am a redeemed addict who has been set free by the grace of God! After six years of sobriety, I am now passionate about family restoration, and love to support women in recovery. I have a special heart for abandoned and unloved children. Throughout the past six years of devoting my life to ministry, I have worked with foster children, mentored youth at my church, and have enjoyed building relationships that lead to lasting connections.

"I shall not die, but live and proclaim what the Lord has done." Psalm 118:17

I am also dedicated to discipling women through the Word of God, firmly believing in the transformative power of the Holy Spirit for anyone in need of change. I have

also participated in several mission trips focused on family restoration, with a strong emphasis on sobriety in Christ. I truly believe that sobriety is just the beginning and that God has a unique purpose for every individual.

My true commitment lies in helping women in crisis, empathizing with those who feel overwhelmed, and deeply desiring to see families restored and lives devoted to God."

RICHIE HOWARD. "I am thrilled to become the newest board member of the Pregnancy Care Center and share some innovative ideas. I love fostering healthy communities. Currently I serve as the local missions pastor at my church, a board member for Phebe's Home for Children, and a chaplain for Georgia Baptist Disaster Relief. I also direct the Shepherd's House, a men's restoration program, and lead the OneWay ministry, which empowers individuals to find freedom from strongholds and addictions.

2025 Updates, Gift Basket Items Needed

So far this year, the Pregnancy Care Center has seen a total of 192 clients. There has been at least 16 gospel presentations and 98 spiritual discussions during this transition time.

NEWBORN GIFT BASKET ITEMS NEEDED. We are currently lacking new and extra cute items for the newborn gift baskets we give to mothers after they give birth. Beyond the necessities, we need baby books, stuffed animals, and small toys. All of these items should be brand new.

"Walk for Life" 2025

The walk is one of our two annual fundraisers.

DIGITAL OR PAPER? For those who prefer to receive a digital newsletter, the Pregnancy Care Center needs your email. Contact us at 770.477.1501. We will continue to offer a printed version of the newsletter for those who are not comfortable with digital.

The Pregnancy Care Center is committed to sharing the Gospel of Jesus Christ, to upholding the value and sanctity of all human life and to making abortion unnecessary and undesirable in our community.
